MENTORING COVENANT

We will make a one year commitment to our mentoring relationship.

We will meet in person a minimum of once a month.

We will be in contact with each other once a week.

We will consistently pray for each other and ask the Lord to deepen our bond of relationship.

We will commit to making sure that God stays at the center of our relationship.

We will make our in person meeting's intentional: we will study scripture, pray, serve, or walk through spiritual disciplines together.

We will invite the Holy Spirit into our relationship and be dependent upon Him to move.

We will make our relationship a priority: we will not take this relationship or our commitment to each other lightly.

We will share openly and honestly with one another.

We will keep our sharing between the two of us, unless we agree that it is OK to share with someone else.

We will talk only about ourselves and our personal journeys.

We will make any other commitments to each other at our first meeting.
